SUPPLEMENT

25X1X6

ORIGIN 25X1A6a

15 July

1. The Nationalists have cleared the Communists from the area around the coal mines at Pei-piao (120-47, 41-47).

19 July

2. Major General TSENG Kuang-han 曾光漢 [as of Feb 47 the former Assistant Chief, Army Reorganization Group, Peiping Executive Hq] is scheduled to replace General WU [WU Pao-yun 吳寶云] as Chief G-2 Section, Northeast China Command.

26 July

3. During the month of August, 80,000 recruits will be shipped from Nanking to Mukden. About 70,000 more will be drafted in Manchuria. These troops will be attached to the Peace Preservation Corps for training. Equipment for these troops will come from Nanking.

30 July

4. On 29 July, a shipment of Nationalist supplies arrived at Hu-lu-tao (121-01, 40-44), including the following: 7000 rifles, 200 machine guns, 30 anti-tank guns, and a large supply of ammunition.
